5th September 2014

Dear Paul,

I wanted to write to say thank you to you, and all at Standage, for all the work you have done at Gloucester over the last year. You have been very sensitive to the needs of the school and managed to continue to work through term time and holidays in a thoroughly professional manner. Your work is of the highest standard but your expertise in dealing with the added complications found in schools sets you apart from the other firms we have used.

Having a firm that employs staff that are DBS checked and able to work in term time has been a real advantage to us all and I am very proud of the amount we have achieved together over the last year. Three halls, six corridors, sixteen classrooms and six toilet blocks so far!

I have no hesitation in recommending you, unreservedly, to anyone that needs building work, decorating, plumbing, roofing, electrical work to name just a few of the jobs you have done at Gloucester.

On a personal note Paul, thanks for your management of all the works, your accommodating nature and flexibility make my job so much easier!

I look forward to working with you on the rest of the school!

Kind regards,

Simon
